

Martin® Removable Nozzle

The [Martin® Removable Nozzle](#) is a new idea in air cannon maintenance, removable high-temperature nozzle, eliminates the time, hassle and expense of standard nozzle replacement.

BENEFITS

Fast Replacement

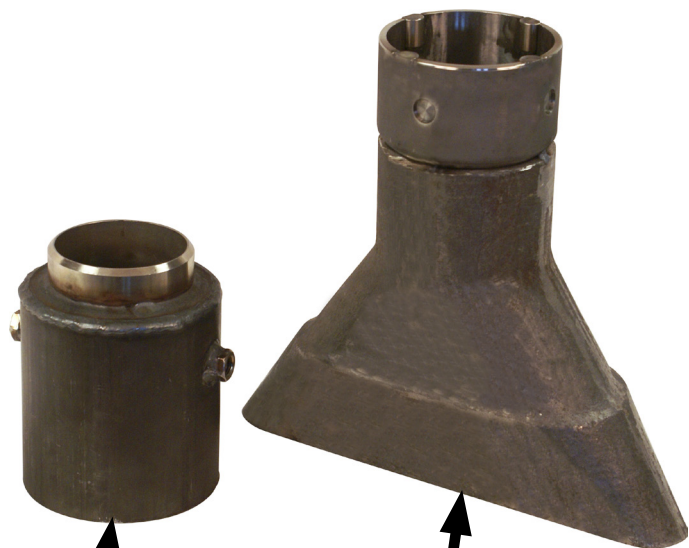

Using a permanent-mount mating collar, nozzles are removed and replaced during refractory changeout without cannon removal.

Save Man-Hours

Eliminate the need for cutting, welding, remounting, or refitting, enabling your maintenance resources to go farther.

Shorter Shutdowns

Reduces the length of shutdowns through faster, easier and more accurate nozzle maintenance and replacement.

Mating Collar

Removable Nozzle

Item	Part Number
Nozzle Assembly	38385
Replacement Nozzle	38387
